RE: 30 Day Post-general Report (10/14/2010 - 11/22/2010)

Dear Mr. Holly:

This submission is in response to your review of the above referenced report.

1. The Committee made a contribution in the amount of \$ 10,000 to Futurepac on October 22, 2010. Futurepac is the campaign committee for the House Democratic Caucus of the Oregon Legislature and is registered as a state political committee with the Oregon Secretary of State's office. It is not required to be registered as a federal political committee. The contribution does not exceed the limits that the Committee may contribute to a political committee that does not make expenditures to influence a federal election.

2. The Committee disclosed the receipt of an in-kind contribution from Wyden for Senate on 10/19/2010 in the amount of \$ 1,396.66, the proportionate cost of a mailing sent to voters in the congressional district containing express advocacy for the re-election of Congressman Blumenauer and other candidates on the ballot. The Committee did not learn that it was a beneficiary of this in-kind contribution, or that the value was in excess of \$ 1,000.00, in sufficient time to report the contribution on a 48-hour notice. The Committee did not request the mailing, coordinate any aspect of it with Wyden for Senate or otherwise know about the in-kind allocation until the notice of the in-kind contribution was received in the mail.

Sincerely,

Henry Hewitt
